TALBOT COUNTY Shopping Guide

Talbot County brims with great shopping finds, whether you're on the hunt for chic resort wear in **St. Michaels** or 19th-century silver flatware in **Easton**. Be prepared to be impressed by the sophistication of our small towns: Discover restored art deco chandeliers in **Sherwood** and hand-woven tapestries in **Royal Oak**. Rare book lovers can find nautical novels on **Tilghman Island**, while history buffs can thumb through classic Chesapeake reads in **Trappe**. True treasure hunters can lose themselves amid aisles of antiques in **Oxford**, while foodies can take home a bag of beaten biscuits, a Maryland delicacy, from **Wye Mills**. And come Spring, gardeners can outfit their Edens with homegrown posies from **McDaniel**.
